Rundgesang der Zecher (deutsche Textübertragung: Karl Langosch)

Lassen wir uns bieder
wie zum Ratschlag nieder,
freun uns an allen Dingen!
Wollen nicht Kränkung bringen,
doch friedlich
und schiedlich
rundum singen.

Schenket ein deswegen -
das dem Herz zum Segen,
der Trübsinn sei besungen.
Frohsinn kommt gesprungen,
beglückend,
verzückend
sei gesungen!

Jungfrau ohne Tadel,
du aus Gottes Adel,
an Schönheit einzig - eine,
Himmelsrose reine,
den Zechern
beim Bechem
gnädig scheine!

Trinken wir im Bunde,
prosten in der Runde,
lass uns es fröhlich treiben
und so beim Zechen bleiben,
Wein zügig,
vergnüglich
einverleiben!

Lasst den Wirt uns preisen,
Ehre ihm erweisen,
dann wieder pokulieren,
am Schmaus uns delectieren,
fein sittlich
und schicklich
jubilieren!
